

## Motion Designer

Elevation | Atlanta, GA.

Elevation is a creative development agency, with a focus in design and animation. We have been creating awesome visual solutions for entertainment networks, advertising agencies and brands for nearly 20 years. We hire those who are smart, determined, and strive to maintain a culture in which everyone is a hands-on contributor and feels comfortable sharing ideas and opinions. It's the people that make Elevation the kind of company it is.

**Position:** The role of 2D/3D Motion Designer is to take creative direction effectively, present on-target work, and take part in our creative team through project completion. Candidate will need to be highly design driven, detail oriented, proactive, energetic and motivated, to join our team in delivering stellar results.

### Skills and Experience:

- Minimum 1 to 2 years experience with design and/or advertising agency.
- Awesome reel and board samples.
- Mastery of the Adobe Creative Suite.
- Proficiency in After Effects and C4D.
- Editorial abilities and experience is a plus.
- Direct client relations with the ability to conceptualize, design, revise and deliver innovative and effective creative solutions, in a variety of styles.
- Excellent people skills. A team player.
- Ability to prioritize workflow and redirect projects to meet competing, challenging and ever-changing deadlines.
- Passion, motivation and a great work ethic.
- Must love nerds.

### Responsibilities:

- Consult with creative leadership, producers, sales and other team members, fostering a collaborative creative culture.
- Participate in design concepts for broadcast, digital and print.
- Keep work consistent and on brand.
